

Part of the VelocityEHS Contractor Safety & Permit to Work Solution

### Are essential tasks and details falling through the cracks, resulting in incomplete or insufficiently closed permits?

Managing the flow of visitors, contractors and vendors coming in and out of your facility, plus ensuring all of the proper permits are in place for the work they do, is too much for one person or even a small team of people to do via spreadsheets or outdated systems.

Taking back control of contractor permits is easy with **VelocityEHS Permit to Work** software. You'll dramatically decrease administration time, reduce risk of accidents, and easily pass internal audits.

#### Core Capabilities:

- + Centralized permit management
- + Qualification checks
- + Full-visibility site maps
- + Permit calendar
- + Customizable functionality
- + Multi-language support

### Features & Benefits

VelocityEHS Permit to Work is surest way to ensure contractors arrive at your facility ready to work.
